

12th December 2020

STAFF, PUPILS,PARENTS/GUARDIANS... JUNIOR SCHOOL

We are well aware how disruptive the Corona Virus has been to all aspects and areas of our lives since March this year.

As we end the year, we are equally aware that it is still with us and likely to remain so for many months to come; no need to stress then the absolute necessity that we continue to observe the guidelines- very especially during the Christmas period – that would be the most important Christmas Box we could give to family and friends.

School life has had to deal with many extra demands presented by C19....CLOSURE / DISTANCE LEARNING / PREPARATION FOR RE-OPENING / STAYING OPEN.

On behalf of the Board of Management I want to acknowledge the extraordinary efforts by all concerned- staff, parents and pupils- in meeting these demands. The proof of their success is seen in the fact that the school continues to function fully, learning goes on as usual and a safe, healthy and happy environment is ensured each day for all involved.

But don't take my word for that!

Recently , under the Department of Education and Skills plan for SUPPORTING SAFE PROVISION OF SCHOOLING (SSPS), their team visited the school to inspect how that was being provided.

Under 10 headings, evaluation is reported by YES or NO, depending on whether the school has met the requirements for SSPS with regard to the Corona Virus.

OUR JUNIOR SCHOOL WAS AWARDED 10 "YES" SCORES.

Congratulations to the Principal, her management team, the teaching and ancillary staff, the pupils, parents and guardians.

NÍ NEART GO CUR LE CHÉILE.....STRENGTH COMES FROM UNITY

LEAN LEIS AN DEA-OBAIR.....KEEP UP THE GOOD WORK

On behalf of the Board of Management

Chairperson
